PROCEDURAL ORDER RE COMMENT DEADLINE

On November 6, 2018, Orchard Road Solar I, LLC filed materials with the Vermont Public Utility Commission that serve as an administratively complete application to amend the project (the "Amendment Application") by moving the project site to the second of the two alternate sites, which is to the east of the originally proposed project site across Orchard Road.

On February 20, 2019, Russell Lattuca filed his second supplemental comments on the Amendment Application as well as a motion to reconsider and clarify the scope of his intervention.¹

The parties are requested to file replies to Mr. Lattuca's second supplementary comments by no later than March 8, 2019.

SO ORDERED.

Dated at Montpelier, Vermont, this 21st day of February 2019.

Michael E. Tousley, Esq.
Hearing Officer

OFFICE OF THE CLERK

Filed: February 21, 2019

Attest: 
Deputy Clerk of the Commission

Notice to Readers: This decision is subject to revision of technical errors. Readers are requested to notify the Clerk of the Commission (by e-mail, telephone, or in writing) of any apparent errors, in order that any necessary corrections may be made. (E-mail address: puc.clerk@vermont.gov)

¹ I observe that in his motion Mr. Lattuca incompletely states the scope of his intervention on aesthetic issues by limiting it solely to the views from his property. The January 30, 2019, Order granting Mr. Lattuca states that his intervention is "limited to his substantial, particularized interests in the view of the Project from his residence and Orchard Road."
