  - a. Village Center Designation: No report.
  - b. Creative Economy: A meeting for tomorrow night at 7 PM is already scheduled to take place in the Historic Society dining room. We discussed the structure of the meeting and what we want to accomplish. If we have no resident volunteers who wish to carry the creative economy idea forward the Planning Commission's activity for such in MS will cease. As this is a special meeting John will post an agenda for the special meeting. Ed Bove from RRPC plans to attend, and he has promised to work with any MS creative economy group that develops. The formation of a steering committee would be the next step and that committee must then come up with a reason for seeking a municipal grant and then apply.

- 6) New Business: None.
- 7) Next regular meeting date: September 8, 2014
- 8) Adjournment: 3:35 PM

Respectfully submitted,

Maureen McCormack, Secretary
