

Middletown Springs Planning Commission  
Special Meeting Approved Minutes  
October 19, 2015

Present: John Arsenault, Tom Hurcumb and Maureen McCormack and guest Nora Rubenstein.

Call to order: 11:40 AM

Agenda: Approved.

1. Discussion on co-sponsoring a forum on school consolidation and Act 46. Nora had invited the Planning Commission to be a part of this forum and John invited her to help us understand what it would mean for the Planning Commission to add our name as a sponsor to this meeting. Nora stated that the purpose is solely for area agencies and organization to rally their usual resident audience to come to this meeting. David Sharpe, Chair of the House Committee on Education, will be present to speak and answer questions. The school board is still collecting information and has made no decision at this time. So the purpose is to provide an opportunity for all Middletown Springs residents to ask questions and learn more. After Sharpe speaks the School Board will hold an information meeting with the public on the particulars affecting Middletown Springs. Terry Redfield will moderate this meeting. (Poultney and Tinmouth have been invited to listen in and have their own session with Sharpe if they choose).

Tom motioned and John gave a second that we co-sponsor the school board forum on education and Act 46. The motion passed.

Adjourn: 11: 45AM

Respectfully submitted,

Maureen McCormack, Secretary
