Re: CPG #16-0042-NMP — Application of Orchard Road Solar I, LLC

Dear Ms. Whitney:

Applicant Orchard Road Solar I, LLC ("ORS") writes to respectfully request an update as to the status of the above-referenced proceeding. The evidentiary hearing for this project was completed on August 29th, 2017, and several months have passed since the post-hearing briefing was submitted by the parties. ORS hopes to commence construction on the project early in the 2018 construction season to begin providing net-metering credits to the group members as promptly as possible. ORS would greatly appreciate any updates from the Commission as to the status and potential timing of a decision so that it can advise the group members of the status of the project.

Sincerely,

Geoffrey H. Hand, Esq.
Victoria M. Westgate, Esq.
