Re: CPG #16-0042-NMP — Application of Orchard Road Solar I, LLC

Dear Ms. Whitney:

In accordance with the Order re Site Visit issued by the Hearing Officer in the above-referenced proceeding on February 9, 2018, Applicant Orchard Road Solar I, LLC ("ORS") has reached out to the parties with a proposed site visit agenda, attached herein, and is filing this proposed agenda with the Commission pursuant to the Hearing Officer's direction in the Order. ORS understands that some of the neighbors would like to add additional stops to the agenda, and will be filing a request outlining those stops. As the site visit is not an evidentiary proceeding, ORS does not agree that these stops are necessary based on evidence in the record, and will substantially prolong the duration of the site visit, but will defer to the Hearing Officer's decision on the appropriate scope of the site visit.

Sincerely,

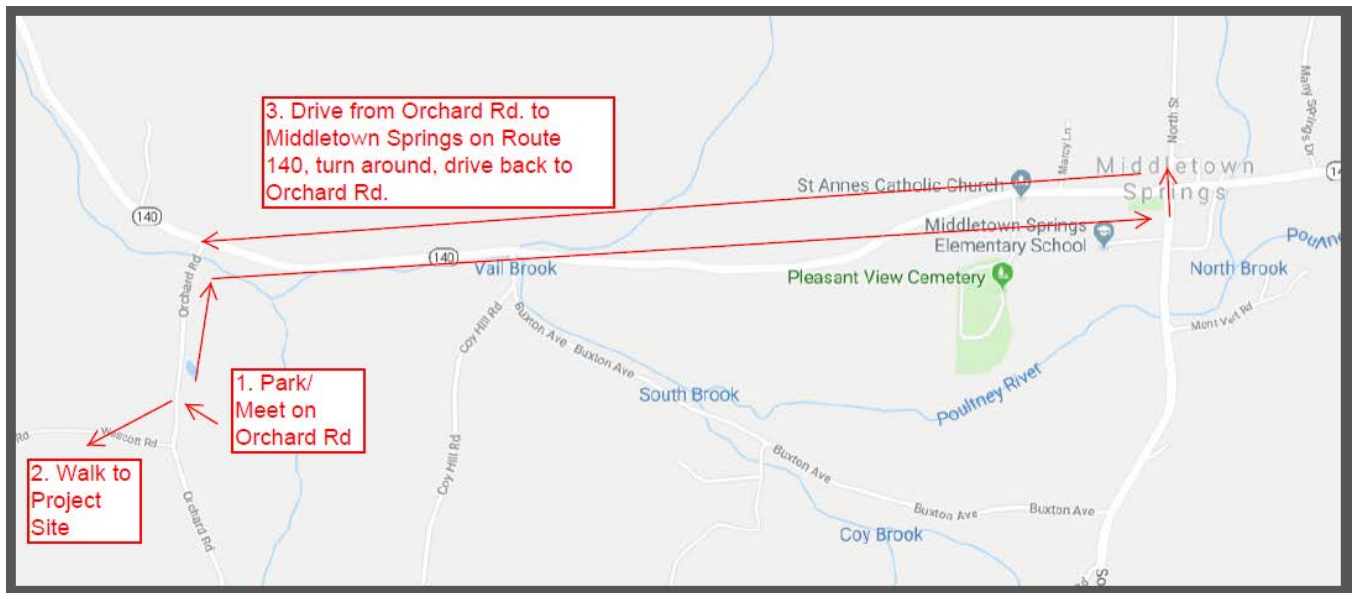

Geoffrey H. Hand, Esq.
Victoria M. Westgate, Esq.
