NOTE: Surplus or deficits occurred in the year prior to the stated Tax Year. i.e. 2017 surplus of \$33,400 occurred on June 30, 2016.

The Take Away: Over the past 11 years we have had the potential to put nearly \$140,000 into a reserve fund to stabilize taxes as well as contribute to the fund to address our pressing infrastructure needs. Current needs for General Government include a Town Office and a Transfer Station.
