Building Committee Information Meeting This Saturday!

PATTY KENYON – EAST ST

Reminder and Update!

Don't forget about the Building Committee's Informational Meeting and Soup Tasting this Saturday, Feb. 2 from 2 to 4pm!

We are planning a short (really!) presentation and plenty of soup! There is no charge for sampling the soups. This is our way of making the afternoon more appealing and maybe even a bit of fun. We are going for a relaxed and informal event. The committee has been preparing all the information we've gathered so far into presentation stations that we want you to explore at your own pace and interest level. We will also be asking for your feedback.

There will be 9 stations to peruse with the following headings -

1. Why Middletown Springs Needs a New Town Office
2. Building Committee History
3. Other Recent Town Office Projects
4. Funding & Budget
5. 2013 Town Meeting Ballot Articles Explained
6. Site History Overview
7. Brownfields Overview
8. Frequently Asked Questions (and answers!)
9. Brainstorming Opportunity - share your thoughts concerns, ideas

So if you are interested in the future of the Town Office and our village center, this meeting is for you!

P.S. Please help us spread the word! Invite your neighbor to join you for some delicious homemade soup and an opportunity to learn more about the Building Committee's work to date.

P.S.S. We're still looking for someone to help us with Children's Activities. If you can help with that, please let me know.
