Re: Comment Regarding Stipulation between Orchard Road Solar I, LLC and Mr. Russell Lattuca

Dear Ms. Whitney:

On May 7, 2019, Orchard Road Solar I, LLC, submitted a stipulation between it and Mr. Russell Lattuca, along with a revised site plan. The cover letter proposed that the May 14, 2019 evidentiary hearing should no longer be required. The Department of Public Service ("the Department") has reviewed the stipulation and revised site plan. The Department has no objections, and states that the Department has no need for a hearing.

Please contact me if you have questions.
